Loving God & Loving Others = worship + missions

Today I was reading from the book of Psalms, I came upon a verse that always touches me, and I would like to share it with you. **Psalms 106 verse 1, "Give thanks to God for he is good. His love endures forever."**

This verse helps me to remember that we serve such a wonderful God. I can't help but remember that whenever I take some time and look around His amazing creation. When we take time to look around how can we help but be in awe. Stop and think about it, God created everything that we see; it was given to us to use and to take care of. Look at the trees, the sky, the birds in the air, even our fellow human beings. God created all of that along with the food that we eat and the ground that we walk on. He promised to give us everything that we need but wow, He did not stop there He just kept on giving.

We need to be sure to thank God for all that he has done for us. The way that we thank Him is to worship Him. God truly deserves our thanks and praise for all that He has given us and continues to give us.

Come and worship God with this loving and caring church family this week. You will feel His love, grace and magnificent power. He can't wait to see you.

God Bless,

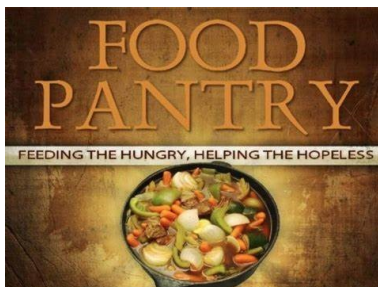

Pastor Joe
